Specification

- GN 6336.1**
 Plastic
 Duroplast (PF)
 black, shiny finish
 bush
 Stainless Steel
 German Material No. 1.4305
NI
- GN 6336.2**
 Plastic
 Technopolymer (Polyamide PA)
 - shock-resistant
 - black, matt finish
 bush
 Stainless Steel
 German Material No. 1.4305
NI
- RoHS compliant

Information

Star knobs GN 6336.1 / GN 6336.2 with all steel bush have important advantages:
 The face of the bush is exactly square to the bore and is in Stainless Steel to prevent edge breakages. Cross-dowels can be used successfully.
