

J-Frame Tool Holder

Part #	Description
H-167-1	J-Frame Tool Holder

Note:

1. The **Maximum Load** on the J-Frame Tool Holder is **9,000 lbs/40 kN**. This Tool Holder may be used with both inch and metric tooling.

Note: These dimensions apply only to Haeger's current 618 and 824 models. For all other models, some of the dimensions may vary slightly.
