

Technical drawing of a mechanical assembly, likely a sensor or actuator, showing dimensions and components.

Overall Dimensions:

- Total length: 405,0 ± 2 mm
- Left mounting bracket offset: 19,0 mm
- Distance between mounting brackets: 164,0 mm
- Distance from center to right mounting bracket: 203,0 mm
- Right mounting bracket offset: 19,0 mm

Component Details:

- Left mounting bracket: Kugel-ø10 (Ball joint, 10 mm diameter), M8 (Thread), SW13 (Wrench size).
- Central shaft: Ø8 (Diameter).
- Central body: Ø18⁺¹_{-0,2} (Diameter).
- Right mounting bracket: Kugel-ø10 (Ball joint, 10 mm diameter), M8 (Thread), SW13 (Wrench size).

The drawing includes a red centerline and a red crosshair indicating the center of the central body.

in	246,0 mm
out	405,0 mm
MP	5,0 mm
MH	159,0 mm
